artworks to the host's home, packaged individually in decorative wrapping, commemorating the occasion. All works will be sprayed with a gloss ceramic coating to protect the previously applied

underglaze colors.

### Included:

- Clay
- Tools and brushes
- Underglazes for color decoration

*\$150 for up to 6, \$22 per additional person\**

## Wheel Parties

Artists at Heart can provide the ultimate pottery party for children or adults with the unique experience of throwing on the potter's

wheel. Artists at Heart provides demonstrations and guided instruction.

Because the wheel can be challenging, Artists at Heart provides hand-building projects in addition to the wheel throwing so that everyone can create a piece of pottery.  
*Clay Party fee + \$100 per wheel\**

*Because clay is very fragile the firing process can be unpredictable, Artists at Heart cannot guarantee that all clay works will make it through the firing process. However, Artists at Heart will take every precaution to insure customer satisfaction.*

Artists at Heart will provide ideas for age-appropriate projects for children or adults. We are happy to collaborate with you on project ideas for specific party themes.

### Possibilities for party projects are limitless:

- Dinosaurs, lizards and monsters
- Culturally inspired pottery
- Nature inspired creations
- Animals and characters
- Functional pieces (bowls, mugs, plates)
- Boxes, wall hangings, tiles, plaques

All materials are nontoxic & lead-free. Artists at Heart provides table coverings, aprons and all ingredients required for a wonderful experience. We can also provide invitations.

Each party is specifically designed to meet your particular tastes and circumstances. We will come to you, and we also have locations available for parties around the Lehigh valley and are happy to partner with other local businesses.
